WOMEN IN AMIA

THE UPDATE (DEC 2025)

MISSION OF WIA

The Women in AMIA (WIA) Steering Committee continues its commitment to empower leaders, promote gender equity, collect data for gap analysis, and contribute to closing women's health gaps through advancements in informatics. Our core goal is to enable all individuals to thrive in their careers and strengthen the impact of informatics. #WomeninAMIA

WOMEN IN AMIA

HIGHLIGHTS 2024-2025

STEERING COMMITTEE

Facilitate	Facilitate within AMIA discussion and initiatives
Grow	grow opportunities for women in AMIA
Aid	aid women in AMIA to reach their goals and advance their careers
Promote	promote equal opportunity and equal treatment of women in our field
Explore	explore the role of informatics and AI in health data and digital health tools to clo health gaps
Develop and advocate	develop and advocate for informatics-driven solutions that promote equitable, ac gender-inclusive healthcare for all

- Sponsoring multiple events at various AMIA Meetings
- Expand and strengthen collaborations with other AMIA Committees (e.g., E2R) and workgroups (e.g., Student Work Group), as well as other professional associations (e.g., ACM)
- Identify new initiatives unique to women where informatics can play a role to make impactsfield
- Shared the success stories of WIA Leadership program, Women in Digital Health Leadership Program in Australia to streamline AMIA Leadership Program..

- Co-Chairs: Sabrina Hsueh, Sue Boren

IMIA HEROES SIG LAUNCH + NEW INITIATIVE: WOMEN'S HEALTH GAPS

IMIA HERoes SIG: The inaugural event for the IMIA HERoes SIG will take place on August 10, 2025, in Taipei, Taiwan. The highlights, includes a captivating fireside chat with an extraordinary lineup of distinguished leaders in informatics, focused on leadership opportunities.

WOMENS HEALTH GAP: The HERoes launch event includes a roundtable discussion on strategies for closing the women's health gap globally. In AMIA 2025 Annual Symposium, there are one more workshop and panel with such focus WIA has sponsored.

WIA PARTICIPATE IN THE PUBLICATION OF AMIA HEALTH EQUITY PRINCIPLES (PPP)

AMIA Health Equity Public Policy Principles (PPP): Helen Wei, WIA-E2R Committee Liaison, and Sabrina Hsueh, WIA Steering Committee Co-Chair, actively contributes to the writing and the publication of AMIA Health Equity PPP. WIA also operationalizes its abstract goals into concrete actions, workshops, and advocacy efforts.
While the Health Equity PPP defines the high-level standards for equity, data stewardship, and inclusive design, WIA functions as a mechanism to implement these principles, specifically focusing on gender equity, algorithmic fairness, and workforce empowerment.

NEW INITIATIVE: AI IMPACT ON DIGITAL WORKFORCE TRANSFORM

IMIA HERoes SIG: The inaugural event for the IMIA HERoes SIG will take place on August 10, 2025, in Taipei, Taiwan. See page 4 for the highlights, including a captivating fireside chat with an extraordinary lineup of distinguished leaders in informatics and a roundtable discussion on leadership opportunities for women and strategies for closing the women's health gap globally.

IMIA HEROES SIG LAUNCH EVENT

Inaugural FiresideChat and Roundtable

Empowering Leadership in Health Informatics

TRANSFORMING IDEAS INTO GLOBAL IMPACT

IMIA HERoes SIG: The inaugural event for the IMIA HERoes SIG will take place on August 10, 2025, in Taipei, Taiwan. This session focuses on Empowering Leadership in Health Informatics and is open to all.
The highlight includes a captivating Fireside Chat, featuring an extraordinary lineup of ten distinguished leaders in informatics. Hosted by Elaine Huesing (IMIA CEO), with greetings from Brigitte Seroussi (IMIA President). In addition, the follow-up Roundtable discussion, moderated by Anne Moen and Pei-Yun Sabrina Hsueh.
Gain invaluable insights, help shape the future, and network with peers. If you're passionate about #EmpoweringLeadership, #WomenInTech, and #HealthInformatics, we invite you to attend!
Join our HERoes SIG LinkedIn Group. You can also PM Anne Moen (anne.moen@medisin.uio.no) or Sabrina Hsueh (pyhsueh@berkeley.edu) for more info.
Learn more: https://medinfo2025.org/Home/Program and #IMIA #HERoesSIG #MedInfo2025 #EmpoweringLeadership #WomenInHealthInformatics #FutureOfWork

Session Highlights

Fireside Chat(14:00 – 15:15)
HERoes Roundtable (15:15 – 16:15)
