

AMERICAN COLLEGE of MEDICAL INFORMATICS

Annual Retreat Sponsorship Prospectus

February 5–8, 2026 | Waikoloa, Hawaii

AMERICAN COLLEGE OF MEDICAL INFORMATICS (ACMI)

ACMI is a distinguished community of leading informaticians who collaborate to shape the future of informatics—driving dialogue on emerging and transformative issues, authoring influential work, mentoring the next generation, and contributing to the ongoing evolution of the discipline. Though fellowship honors individual accomplishments, ACMI functions primarily as a working college, enriched by diverse viewpoints and a collaborative ethos.

FELLOWS of ACMI

ACMI Fellows are senior level thought leaders and key decision makers or influencers of decision makers. These individuals have made significant and sustained contributions in biomedical and health informatics, have achieved national recognition in the field, and are committed to advancing the charitable, scientific, literary, and educational purposes of ACMI.

Each year, new Fellows are elected by the voting members of ACMI. Fellows, who use the designation “FACMI,” are elected for life and are inducted at a ceremonial dinner at the AMIA Annual Symposium in November. The current 310 voting ACMI Fellows are recognized in the [online Fellows of ACMI Directory](#).

ACMI ANNUAL RETREAT

The ACMI Annual Retreat is the premier gathering of the nation’s most distinguished medical informatics leaders, scholars, and innovators. Each year, approximately 65–75 elected ACMI Fellows convene to engage in forward-looking dialogue, exchange insights, and collaborate on shaping the future of biomedical and health informatics.

The Retreat is designed as an intimate, high-level forum that fosters collaboration, thought leadership, and candid discussion of the most pressing challenges and transformative opportunities in healthcare. Programming features panel discussions, presentations, interactive sessions, and strategic discussions aligned with ACMI’s mission to advance informatics for the improvement of health and healthcare delivery.

The theme of the 2026 Retreat is ***The Intersection of Academia & Industry***, highlighting areas where academic informatics research meets real-world industry innovation, adoption, and impact. Topic areas may include:

- Novel Industry Informatics Partnership Models
- Translational Research & Innovation Driving Health System Transformation
- AI Revolution Impact on Biomedical and Health Data Technologies
- Workforce Development, Training, and Career Pathways
- Regulatory, Ethical, and Policy Considerations
- Responsive Funding Models & Sustainability
- Real-World Evidence Improving Healthcare Outcomes
- Digital Health Usability and Burden Reduction

The upcoming Retreat will be held on the beautiful island of Hawaii, and the [Retreat schedule](#) is designed to provide attendees time to engage in the discussions, connect with peers, meet fellow luminaries — and enjoy all that the tropical island has to offer.

ACMI 2026 RETREAT SPONSORSHIP OPPORTUNITIES

The ACMI Retreat is exclusively attended by Fellows, and sponsorship provides a unique opportunity to not only attend, but also to **connect** with an exclusive community of influential thought leaders in biomedical informatics — academics, executives, policymakers, and innovators. These visionaries drive change at the intersection of technology, health, and science.

By becoming a sponsor, your company will **gain visibility** with this elite audience while supporting a program that cultivates collaboration across research, clinical practice, and policy. You'll have a seat at the table — and position your company as an innovative thought leader and a valued partner. You'll impress upon this influential community your company's commitment to **advance the field**.

Presenting Sponsorships

Three Available

\$13,750 at cost*

Position your company as an industry leader and receive the following benefits and exposure.

- Opportunity to attend and participate in all aspects of the Retreat. You'll be able to network throughout the event and build rapport with this prestigious group. Two registrations are included with the sponsorship.
- Opportunity to conduct an interactive session related to the Retreat's theme. You'll have 15 minutes to present and engage attendees in group discussion.
- Opportunity to provide brief content for a blast email that will be sent to registered attendees prior to the Retreat. You'll be able to highlight the focus of your company's interactive session and pique the attendees' interest. All Presenting Sponsors will be featured in the email.
- Verbal and on-screen recognition at the Opening Session.
- Recognition on signage at the Welcome Reception and inside the session room.
- Recognition on custom-printed napkins at the Coffee Breaks each morning.
- Recognition on the Retreat website and in promotions for the event.
- Opportunity to distribute giveaway items to attendees and display freestanding signage at the Retreat.

* AMIA Corporate Partner Discounts do not apply to this sponsorship fee.

Sponsorships are available on a first-come, first-served basis.
Become a sponsor. Build your brand. Build your business.
