JAMIA
A SCHOLARLY JOURNAL OF INFORMATICS IN HEALTH AND BIOMEDICINE

Application for *JAMIA* Student Editorial Board Membership
2023

The application packet requires three items: (1) <u>Completed application form</u>, using the space provided to answer all questions. (2) <u>Curriculum vitae</u>. (3) <u>Letter of reference</u>, which should be provided by your training program director or faculty advisor at your institution. The reference writer should send the letter separately from the first two items to the same email address below (mail@amia.org).

Please email all application items by Tuesday, November 29, 2022 to mail@amia.org, and include your name followed by "SEB Application" in the subject heading.

PLEASE TYPE OR PRINT CLEARLY

PLEASE ANSWER THE FOLLOWING QUESTIONS IN THE SPACE PROVIDED.

Describe your previous experience with reading, writing, and reviewing (if any) scientific manuscripts.

Describe your overall career goals, the areas of biomedical and health informatics that are of particular interest to you, and how participation on the SEB would help with those goals.

Describe your thoughts on how journals in general, and *JAMIA*, in particular, can contribute to advancing the values of diversity, equity, and inclusiveness in the field of biomedical and health informatics.

From the attached spreadsheet ("AMIA Classification Scheme and Themes.xlsx"), please select up to 5 specific "Axis I" topics (found on the "Keywords" tab) that you would feel most comfortable reviewing *JAMIA* manuscript submissions about.

From the attached spreadsheet ("AMIA Classification Scheme and Themes.xlsx"), please select up to 5 specific "Axis II" topics (found on the "Keywords" tab) that you would feel most comfortable reviewing *JAMIA* manuscript submissions about.

From the attached spreadsheet ("AMIA Classification Scheme and Themes.xlsx"), please select up to 5 specific "Themes" topics (found on the "Themes" tab) that you would feel most comfortable reviewing *JAMIA* manuscript submissions about.

Please email Dr. Kirk Roberts, Kirk.Roberts@uth.tmc.edu to receive a document entitled "2023 Sample-Manuscript-Review.pdf." After reading the manuscript submission, please write an actual review of the manuscript as if you were the reviewer. This should be 1-2 pages in length single-spaced.
