

**Edward H. Shortliffe Doctoral Dissertation Award****Nominee Confirmation Statement****(Please submit this completed form with your nomination materials)**

I understand that I have been nominated to receive the Edward H. Shortliffe Doctoral Dissertation Award for 2023. I am pleased to accept this nomination and hereby commit that, if I am selected as the first prize awardee or the honorable mention awardee, I will attend the AMIA Symposium in New Orleans, LA, November 11 - 15, 2023, and will give a presentation on my dissertation research in a scheduled session at the meeting. If for any reason I realize that I will be unable to attend, after submitting this form to the judging committee, I will immediately notify the committee, realizing that it will affect my eligibility for the top two awards but not for a position as finalist. I understand that if I receive either of the top two awards, my meeting registration, travel, and up to four nights of lodging expenses will be reimbursed at levels consistent with AMIA policy. I further understand that AMIA reserves the right to reassign the first place or honorable mention award to another nominee if I am selected for one of these awards but subsequently decline to attend the meeting.

I also agree that, if I am selected as a finalist in the competition, including either of the top two positions, I will permit a link to my complete dissertation to be offered publicly on AMIA's website, where winners are identified and the listing is preserved historically. The link may be to my institutional archival web site for dissertations or to a copy of my dissertation uploaded to the AMIA servers.
