

The Volunteer Structure of AMIA Board of Directors Governance Manual

AMIA is governed by a Board of Directors, all of whom are highly respected, nationally prominent informatics leaders who guide AMIA's policies and objectives. The Board is the principal policy making body of AMIA as set forth in the AMIA bylaws and articles of incorporation. The Board delegates various duties and responsibilities to the Executive Committee, officers, committees, task forces and employees. These delegations are reflected in bylaws, manuals and handbooks, and in resolutions adopted by the Board. The AMIA staff is responsible for maintaining handbooks, procedures and manuals that detail functions of the volunteer structure. Updates are done periodically and included for approval in the Board consent agenda. For consistency and to prevent an unintended omission in documentation, all committee information is maintained in the *AMIA Committee Manual* so this manual and committee manual should be viewed together.

AMIA has organized its Board structure and process to enable rapid, thoughtful and effective decision making. AMIA strives to ensure that Board's purpose is elevating, meaningful, and provides energy to individual board members. Roles and Responsibilities

The position of Board member is the highest volunteer member contribution role for AMIA. Board members have fiduciary obligations that require members to make decisions in good faith, are in the best interest of AMIA, and are financially responsible. The nomination criteria for a Board member balances a mix of experience, age, gender, ethnicity, geographic, and institutional balance. The key roles and responsibilities of the Board are to:

Resignation, Removal and Vacancies

An elected Board member may resign upon presenting his/her written resignation to the President. The resignation shall become effective immediately.

Upon recommendation by the President or the Executive Committee, the Board may at any meeting, by a two-thirds vote of those present, remove from office any elected or appointed Board member for any reason which it deems adequate, including specific reference to convicted felonies, violations of the *Conflicts of Interest Policy*, *Meeting Anti-Harassment Policy*, or excessive absences from Board meetings. Before such removal, the Board member concerned shall receive written notification from the Executive Committee and will be granted an opportunity to be heard at a meeting of the Board.

Unscheduled vacancies on the Board may be filled by Board appointment until the next regular election except in the cases of a President's vacancy as defined in this governance manual.

Directors and Officers Liability Insurance

AMIA maintains Directors and Officers Liability Insurance (often called D&O) for Board members. D&O covers damages or defense costs in the event we suffer such losses as a result of a lawsuit for alleged wrongful acts while a Board member is acting in their capacity as directors or officer for AMIA. The AMIA office maintains complete insurance policy documentation and certificates of coverage.

To the maximum extent provided by Maryland law, AMIA shall indemnify and advance expenses to any person made, or threatened to be made, a party to an action, suit or proceeding (whether civil, criminal, administrative or investigative) by reason of the fact that such person, or such person's testator or intestate, is or was a director, officer or employee of AMIA against all expenses (including attorneys' fees), judgments, fines and amounts paid or to be paid in settlement incurred in connection with such action, suit or proceeding. AMIA may indemnify and may advance expenses to any present or former employee or agent or any other person who serves or served any other enterprise at the request of AMIA, if and to the extent indemnification is authorized and determined to be appropriate, in each case in accordance with applicable law, by the Board of Directors or special legal counsel appointed by the Board of Directors.

Conflicts of Interest

In their capacity as leaders of AMIA, Board members have an obligation to make decisions and conduct affairs of the organization based upon the desire to promote AMIA and its mission. *AMIA's Conflicts of Interest Policy* aims to educate leaders on what constitutes a conflict of interest or the appearance of a conflict of interest, to set standards for full disclosure of professional and relevant personal activities and relationships that created a conflict of interest or the appearance of a conflict of interest, to remedy and resolve conflicts of interest per AMIA's conflict of management options, and to encourage leaders to remain aware of and take initiative to manage, disclose, and resolve conflicts of interest appropriately.

In order to proactively address any potential conflicts of interest, each Board member is required to annually complete and submit a disclosure form in January. Disclosures and agreed to methods of management are summarized yearly on the internal AMIA website allowing all AMIA members to review the COI disclosures of leaders.

Meeting Attendance

The Board meets via video call and in-person. Schedules are set in the fall for the next calendar year. Other special meetings may be called at the request of the President, Executive Committee, or by request and vote of one-third of voting members.

Board members are expected to attend all Board meetings and a majority of AMIA's membership events.

Board members, staff or guests invited by the President may address the Board at an official meeting. AMIA members may attend face-to-face Board meetings except when the Board meets in Executive Session.

Meeting Anti-Harassment Policy

AMIA is proud to be an organization of diversity and inclusion, and we want all members to have confidence in our collective commitment to efforts and actions that demonstrate that commitment regardless of age, disability, ethnicity, gender, gender identification, sexual orientation, race, or religion.

AMIA is committed to providing an atmosphere that is welcoming and that supports our goals for members to learn and grow professionally. Consistent with this commitment, it is AMIA policy that all participants at AMIA meetings will enjoy a welcoming environment that is professional, collegial, and harassment free. All participants at AMIA meetings are expected to behave in a courteous, professional and civilized manner and to refrain from demeaning, discriminating or harassing behavior or speech. This policy applies to all participants including attendees, speakers, sponsors, exhibitors, guests, staff and contractors.

Unacceptable behaviors include:

- intimidating, harassing, abusive, discriminatory, derogatory or demeaning speech or actions by any participant at an AMIA meeting and in one-on-one communications carried out in the context of the meeting.
- harmful or prejudicial verbal or written statements or visual images (including presentation slides) related to age, disability, ethnicity, gender, gender identification, sexual orientation, race, religion, or other personal characteristics.
- unwelcome and uninvited attention, contact, or physical harm;
- real or implied threat of professional or personal damage.

Individuals who experience, witness, or become aware of unacceptable behavior at an AMIA meeting should report the incident to an AMIA staff member. Any person who has suffered physical harm or believes their physical safety is threatened should notify venue security or call 911.

AMIA reserves the right to remove an individual from a meeting without warning or refund, to prohibit an individual from attendance at future meetings, and to take such other actions as deemed appropriate by the AMIA Board of Directors.

Meeting Travel Expenses

AMIA recognizes that our volunteer's time and contributions are vital to our success and achievement. In AMIA's role as a non-profit organization, we strive to be fiscally prudent. AMIA reimburses Board members for travel to Board meetings and required special events. Travel information is distributed to Board members prior to the meeting and the reimbursement form will contain the specific information related to that particular event, along with any special policy provisions that may be applicable (for example, if volunteers are traveling for AMIA activities that involve the use of grant or contract funds, reimbursement guidelines may be subject to different allowance amounts). Unless otherwise noted, reimbursements will follow the rules specified in *AMIA's Volunteer Reimbursement Policy*. In recognition of board member service, AMIA offers a 25% discount off the registration fee to the annual symposium.

Meeting Quorum and Rules of Order

A quorum for conducting official business at a meeting of the Board shall be a majority of its voting members. Board meetings may be held in person or virtually (conference call or other synchronous means of communicating as long as all persons participating in the meeting are able to hear one another). Board meetings follow *Robert's Rules of Order* unless they are in conflict with AMIA bylaws or other recognized procedures or rules AMIA has adopted or established as practice.

Any action required to be taken at a meeting of the Board may be taken without a regular meeting with a special notice from the President. These special meetings may take place via email using the process outlined below. Each special meeting shall be set in motion to address one issue only. If additional issues need to be addressed, a special meeting will be called for each issue.

AMIA follows the following process for special meetings:

- Special meetings will be chaired by the Board President. The President designates a meeting secretary to assist in the process.
- An email is sent to Board members detailing the proposed action and requesting a response. If a motion to table is received from a Board member within 24 hours of the email being sent, the motion will be tabled until the next scheduled Board meeting.
- An email reply is received from each voting Board member with his/her vote.
- If all voting Board members vote unanimously, the action is taken. If less than unanimous vote is received, the Board may ratify the action at a Board meeting.
- A written record of the vote will be recorded in the next scheduled Board meeting minutes.

Consent Agendas

It is Board policy to use consent agendas for Board meetings. Consent agendas package routine committee reports, board meeting minutes, and other non-controversial items not requiring discussion by the Board into one agenda item. Typical items include minutes, policy meeting reports, committee chair appointments, executive committee decision report outs, dashboards and tracking documents as well as updates to governing and operating documents.

The Board President will decide what items will be placed on the consent agenda. The consent agenda and any background material will be distributed along with the regular meeting materials. Board members are expected read all the materials in the consent agenda prior to the meeting.

AMIA follows the following process for consent agendas:

- As the first item of business, the Board President will ask if anyone wishes to remove any item under the consent agenda to be discussed.
- Directors can request to discuss the item or register a vote against the item.
- If an item is removed from the consent agenda; the Board President will place it on the regular meeting agenda.
- The Board President will then ask for a motion to accept the consent agenda. If a Director requests that an item is pulled from the consent agenda, the request will be registered along with the motion

Items for Clarification or Questions

For items that require clarification, or for which a Board member has a question, that clarification must be requested before the meeting. An item cannot be pulled from the consent agenda just to have a question answered. That sort of information gathering should happen only before the meeting.

Items for Discussion

If there is an item about which a Board member disagrees, or believes that item requires discussion, then a request is made to pull that one item from the consent agenda, and to add it to the regular agenda as an item to be discussed. The remainder of the consent agenda items are voted on and approved, and only that single item is held out for discussion.

Executive Session

The Board may enter Executive Session upon adoption of a motion to do so, or at the call of the President. Only voting Board members are present during Executive Sessions. The CEO and other individuals may be present by invitation. A Board member may be requested to leave an Executive Session if a COI is identified. Actions taken during Executive Session are reported out immediately on entering open session unless the Board specifically precludes such reporting of an action by sealing the Executive Session minutes by adoption of a motion to do so. If Executive Session minutes are sealed, they will remain in the possession of the AMIA Secretary (and successors) for a period of 10 years for archival purposes.

Executive Committee

For consistency and to prevent an unintended omission in documentation, detailed Executive Committee information is maintained in the *AMIA Committee Manual*.
