AMIA Clinical Informatics Fellowship Match Agreement

By participating in the AMIA Match, applicants are responsible for understanding their eligibility to enter their selected training program(s) before certifying their rank order list, and agree to matriculate to whichever program with which they match. A match can only be made if the applicant verifies their information in the AMIA Match system AND commits their rank list by the scheduled deadline (12/5/2024 at 11:59 p.m. Eastern Time). If you make a mistake or wish to withdraw from the match you may un-commit your rank list, however this must be done prior to the scheduled deadline (12/5/2024 at 11:59 p.m. Eastern Time).

The screenshot displays the AMIA (American Medical Informatics Association) Applicant View interface. At the top left is the AMIA logo with the tagline "INFORMATICS PROFESSIONALS. LEADING THE WAY." To the right, a user is logged in as "James" with a "Log out" link and the role "Program Applicant". A simulation timer in the top right corner shows "Simulate 11/25/2024 08:00".

The main heading is "Select programs to be ranked." Below this, the user's name "Smith, James" and AAMC ID "1234567891" are shown, along with an "Edit" button. The central area is titled "Choose the programs you wish to rank." and contains a list of five programs, each with a selection checkbox and location:

Program Name	Location
<input type="checkbox"/> Beth Israel Deaconess	Boston, Massachusetts
<input type="checkbox"/> Duke Clinical Informatics Fellowship Program	Durham, North Carolina
<input type="checkbox"/> Massachusetts General Hospital/Brigham and Women's Hospital	Boston, Massachusetts
Clinical Informatics	
<input type="checkbox"/> UMass Chan Medical School Program	Worcester, Massachusetts
<input type="checkbox"/> UNC Clinical Informatics Fellowship	Chapel Hill, North Carolina

At the bottom right of the list, there are two buttons: "Select all" and "Rank these programs".

Drag and Drop programs into your rank order, then click "Save Rank List."

The screenshot displays the AMIA (American Medical Informatics Association) applicant portal. At the top left is the AMIA logo with the tagline "INFORMATICS PROFESSIONALS. LEADING THE WAY." The top center shows a user greeting: "Welcome, James" with a "Log out" link and the role "Program Applicant". The top right features a simulation date and time: "Simulate 11/25/2024 08:00".

The main heading is "Review your account information." Below this, the user's name "Smith, James" and AAMC ID "1234567891" are shown, along with an "Edit" button. A prominent red warning icon and message state: "Commit your rank order list. Only committed rank order lists will be used for the match, so be sure to commit your list by December 5." A red arrow points to a "Commit >" button on the right side of this message.

Below the warning, a section titled "Review your **uncommitted** rank list below." contains a list of four programs:

1.	Case Western Reserve University/The MetroHealth System Clinical Informatics Fellowship	Cleveland, Ohio
2.	Baylor Scott & White Medical Center - Round Rock	Houston, Texas
3.	Boston Children's Hospital	Boston, Massachusetts
4.	Cedars-Sinai Health System	Los Angeles, California

At the bottom right of the list, there are two buttons: "Start over" and "Change rank order".

Please review. You must select "Commit" for your list to be submitted. You can un-commit and re-commit up until the deadline (12/5/2024 at 11:59pm ET)
