Abstract

Abstract text goes here, justified and in italics. The abstract would normally be one paragraph long. See Table 1. for appropriate abstract length by submission type.

Introduction

This template should be used as a starting point for AMIA submissions.

It is important to review the AMIA Call for Participation (CFP) where types of submissions considered and general requirements for each submission type are listed. All submissions must conform to the format and presentation requirements described in the CFP and at the submission site.

Another Major Heading and References

This sentence has two reference citations^{1, 2}.

More text of an additional paragraph, with a figure reference (Figure 1) and a figure inside a Word text box below. Figures need to be placed as close to the corresponding text as possible and not extend beyond one page.

Figure 1. Total allergy alerts, overridden alerts, or drug order cancelled.

* All podium abstract and poster submissions must have a brief (50-75 words) abstract. The abstract does NOT have to be part of the document, but must be entered on the submission website in the Abstract box in the submission portal. This is another paragraph.

Attendee Take-away tool (CIC Oral Presentations only)

If applicable, description of what the attendee can “take away” from the presentation, what they can take back to their work place and use to improve their practice of clinical informatics. This further emphasizes the applied aspect of the submissions to this conference

Conclusion

Your conclusion goes at the end, followed by References, which must follow the Vancouver Style (see: www.icmje.org/index.html). References begin below with a header that is centered. Only the first word of an article title is capitalized in the References.
