TITLE:

AMIA Now

STATEMENT OF PURPOSE

AMIA Now is AMIA’s digital learning platform that delivers continuing education designed to advance the knowledge, competence, and performance of healthcare professionals working across the informatics continuum. Content is derived from AMIA’s premier scientific meetings, including the Informatics Summit, Clinical Informatics Conference, and the AMIA Annual Symposium (2024–2025).

The purpose of AMIA Now is to address identified practice gaps in the application of biomedical and clinical informatics by translating emerging research, data science, and technological innovation into practice-ready strategies that improve patient care, healthcare delivery, and public health outcomes. Educational activities focus on areas such as clinical documentation burden, data-driven decision-making, interoperability, translational bioinformatics, clinical research informatics, genomics, population health, and informatics policy.

AMIA Now is designed for clinical informaticians, physicians, nurses, pharmacists, researchers, data scientists, public health professionals, and other members of interprofessional healthcare teams involved in the design, implementation, evaluation, and use of health information systems. Through participation in AMIA Now activities, learners are expected to enhance professional competence, implement evidence-based and technology-enabled solutions in practice, and contribute to improved quality, efficiency, and safety of healthcare.

LEARNING OBJECTIVES

After participating in this live activity, the learner will be able to:

1. Apply current principles of biomedical and clinical informatics, including data science and translational research, to support evidence-based decision-making and improve patient care and population health outcomes.
2. Evaluate practice-ready informatics solutions that reduce clinical

documentation burden, enhance interoperability, and improve the efficiency, quality, and safety of healthcare delivery.

3. Integrate emerging informatics innovations, including analytics and health information technologies, into interprofessional practice to improve clinical workflows, support research, and advance public health initiatives.

TARGET AUDIENCE

This activity is designed for physicians, nurses, pharmacists, dentists, and other clinicians; health information technology and data science professionals; biomedical and clinical informaticians; public health professionals; policymakers; researchers, scientists, and medical librarians; consultants and vendor representatives; and professionals and students engaged in translational bioinformatics, clinical research informatics, implementation informatics, and health data science.

ACKNOWLEDGEMENT OF SUPPORT

No commercial support (funding from a governmental agency, ineligible company or in-kind donation) was received for this activity.

CRITERIA FOR SUCCESSFUL COMPLETION

Completion of this activity is demonstrated by:

- View video in its entirety.
- Complete the course evaluation.

After successful completion, physicians will be able to download a CME certificate of up to **100 AMA PRA Category 1 Credits**.™ After successful completion, nurses will be able to download a CNE certificate of up to 100 credits. Other learners will be able to generate a certificate of participation.

ACCME ACCREDITATION STATEMENT

The American Medical Informatics Association is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

DESIGNATION STATEMENT

The American Medical Informatics Association designates this Enduring material for a maximum of **100 AMA PRA Category 1 Credit(s)**™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

You will be able to download your CME certificate awarding up to 100 *AMA PRA Category 1 Credit(s)*™ for the online courses once you have successfully

completed the knowledge check question and session questionnaire.

ANCC ACCREDITATION STATEMENT

The American Medical Informatics Association is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

Approved Contact Hours: 100

NURSE PLANNER (Content): Robin Austin, PhD, DNP, DC, RN, NI-BC, FAMIA, FAAN

ACHIPs

AMIA Health Informatics Certified Professionals™ (ACHIPs™) can earn 1 professional development unit (PDU) per hour of *AMIA Now* content viewed. ACHIPs™ may use the AHIC™ Recertification Log to report completed *AMIA Now* activities for AHIC™ Recertification.

AMIA DISCLOSURE POLICY

It is the policy of the American Medical Informatics Association (AMIA) to ensure that Continuing Medical Education (CME) activities are independent and free of commercial bias. To ensure educational content is objective, balanced, and guarantee content presented is in the best interest of its learners and the public, the AMIA requires that everyone in a position to control educational content disclose all financial relationships with ineligible companies within the prior **24** months. An ineligible company is one whose primary business is producing, marketing, selling, re-selling or distributing healthcare products used by or on patients. Examples can be found at accme.org.

In accordance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education, AMIA has implemented mechanisms prior to the planning and implementation of this CME activity to identify and mitigate all relevant financial relationships for all individuals in a position to control the content of this CME activity.

In accordance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education, AMIA has implemented mechanisms prior to planning and implementation of this CME activity to identify and mitigate all relevant financial relationships for all individuals in a position to control the content of this CME activity.

Faculty and planners who refuse to disclose any financial relationships with ineligible companies will be disqualified from participating in the educational activity.

For an individual with no relevant financial relationship(s), course participants must

be informed that no conflicts of interest or financial relationship(s) exist.

DISCLOSURES OF RELEVANT FINANCIAL RELATIONSHIPS OF ALL PLANNERS AND PRESENTERS OF THIS ACTIVITY

Nature of Financial Relationships

All individuals who plan, present, review, or otherwise participate in the creation of this AMIA activity must disclose to the editorial team and audience any relationships they have with ineligible companies, financial or any other relationship(s). This includes but is not limited to:

1. Stock, stock options or bond holdings in a for-profit corporation or self-directed pension plan
2. Research grants
3. Employment (full or part-time)
4. Ownership or partnership
5. Consulting fees or other remuneration (payment)
6. Non-remunerative positions of influence such as officer, board member, trustee, or public spokesperson
7. Receipt of royalties
8. Speakers' bureau

Accreditation Information

In accordance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education, AMIA has implemented mechanisms prior to the planning and implementation of this CME activity to identify and mitigate all relevant financial relationships for all individuals in a position to control the content of this CME activity.

The following individuals have been identified as planners and speakers for the 2025 Annual Symposium. In accordance with accreditation standards, all relevant financial relationships have been disclosed and are listed below. If an individual has No relevant financial relationship(s) with ineligible companies to disclose, it is indicated accordingly.

*All of the relevant financial relationships listed for these individuals have been mitigated.
